

## Sourcing with Respect

SYNERGIO is registered as a member in the Union for Ethical Biobased Trade (UEBT) to promote the following standards:

- Biodiversity conservation – To ensure sustainable management of the species and ecosystems we work in
- Sustainable use of biodiversity - Regenerative practices to preserve the natural sources we exploit
- Fair and equitable sharing of benefits – in accordance with the Nagoya Protocol
- Socio-economic sustainability - Enhancing contribution to local development
- Compliance with legislation
- Respect for the rights of actors
- Clarity about land tenure
